COMMUNITY PROVIDER TOOLKIT
WORKING TOGETHER TO SERVE VETERANS

Improving mental health services to Veterans through:
• communication and coordination of care between community providers and VA
• increased knowledge about military experiences and culture
• access to resources and tools for a range of mental health conditions

“VA is committed to helping Veterans wherever they may seek care. This toolkit will enable those community providers who treat Veterans to better understand the specific issues Veterans face and help them access VA resources.”

- Secretary of Veterans Affairs
  Eric K. Shinseki
